Self-guided hiking trail

The Porcupine Trail starts at the hotel and leads into the Zuurberg mountains where fynbos and proteas dominate. It is believed that one of the largest concentrations of blue duiker in South Africa is in this section of the park. The hike is roughly 4.5km in total **(Chat to reception about pricing)**

Zuurberg Garden Spa and Wellness Centre (price list and appointments are available on arrival)

Our facility offers hydrotherapy treatments such as sauna and jet-bath therapies. In addition, we provide a selection of luxury skin and body treatments (range of massages, manicures, pedicures, and facials), leaving every guest feeling relaxed and pampered.
