

crocodile camp & spa

Crocodile Safari Camp & Spa in Maun offers a warm welcome with a rich history dating back to 1946. Despite Maun's evolution, the camp retains its renowned hospitality, boasting top-notch accommodations, service, and cuisine. Its facilities include the Croc Rock Bar, pool, gardens, spa, fitness room, and conference spaces, catering to diverse guest needs.

Accommodations range from standard rooms to presidential suites, each equipped with modern amenities and serviced daily. The camp also provides luxurious camping facilities, ensuring comfort and convenience for all guests. A wide array of activities, such as spa treatments, village tours, and wildlife excursions, promises an unforgettable experience.

The camp's layout features guest areas on two levels, offering scenic views of the Thamalakane River. Upper-level amenities include reception, spa, conference rooms, and fitness center, while the lower level houses the pool area, Croc Rock Bar, restaurant, and boma. The restaurant serves buffet or à la carte menus, incorporating local cuisine. Crocodile Safari Camp & Spa invites guests to indulge in relaxation and exploration amidst Maun's natural beauty and rich cultural heritage.
